

## **Copyright**

All the contents of this site, both in the form of written text, graphics, files, tables, images and any other information, are protected under the copyright, patent and intellectual property laws. Each product, image, written text, software package or corporate name mentioned in this site belong to their respective owners or holders; they may be protected by patents and/or copyrights granted or registered by the competent authorities. Therefore, they can be downloaded or used only for personal utilization (i.e. not for commercial or business purposes). No contents of this site can be copied, modified or re-sold, either entirely or partly, for profit-making purposes or for taking any advantage therefrom.

We hereby disclaim all responsibility for any harm or damage to the users, which may result from unintentional inaccuracies or material mistakes found in the above-mentioned information – such information may, despite its being considered as accurate as possible, include mistakes and inaccuracies. In no case shall NEW-TRONIC be considered responsible for any damage caused, either directly or indirectly, by gaining access to this site, as well as the impossibility of accessing the same, and the user's relying on and having resort to the news and data contained in the site.

The information found on the site will always be up-to-date; however, NEW-TRONIC makes no guarantee of the exhaustiveness and also reserves the right to modify the contents of the site any time and without advance notice.

## **Accessing the external associated sites**

NEW-TRONIC disclaims all responsibility in connection with the sites that can be accessed by means of the links available in the site, which are provided merely as an additional service to the Web users. Providing such links does not involve approving of the contents of the same – NEW-TRONIC disclaims all responsibility for the quality, security, contents, graphics and holding of the sites accessible through the aforesaid links.

NEW-TRONIC also disclaims all responsibility in connection with the information obtained by getting access to the sites linked to the Company's site. Therefore, the responsibility for the exhaustiveness and accuracy of the information will lie with the owners of the sites accessed in accordance with the terms provided for by the same.

No guarantee is made on the software (if any) found in NEW-TRONIC site or in external sites. Likewise, no guarantee is made with regard to the quality, security and compatibility with the systems being used.

## **Privacy**

All the personal data received by NEW-TRONIC via e-mail or digital forms will be processed, even for registration purposes, in compliance with the Italian law regulations on the subject of privacy. Therefore, all the contents reaching the NEW-TRONIC e-mail addresses will not be considered as confidential data or information, nor shall it infringe on other people's or person's rights or contain invalid information detrimental to other people's or persons' rights. In any case, no responsibility will lie with NEW-TRONIC or the relevant receiving offices for the contents of the messages themselves. The details of the policies implemented by NEW-TRONIC are contained in the document entitled “Privacy Policy”, which can be accessed through the link available in the NEW-TRONIC Home page.

### **Download**

All the items, products and programs that may be available for download on this site (e.g. Technical documents, commercial documents, software, etc.) will, unless otherwise specified, be available free of cost under the conditions laid down by NEW-TRONIC.

NEW-TRONIC will not be responsible for the document contents, the product characteristics or the program operation. The contents available for downloading on this site may be protected by copyright, utilization and/or reproduction rights by their respective owners. For this reason, NEW-TRONIC kindly asks the user to check the terms of utilization and rights, and considers themselves as expressly relieved from any responsibility with regard thereto.

The user will be allowed to access the reserved sections of the site and the downloads only after giving full, reliable and true information by means of the special registration forms available for this purpose. The user may also not give such information; in this case, he/she may not be allowed to get access to the requested service. However, NEW-TRONIC reserves the right to grant or deny the access to the reserved information or sections of the site to a registered user even if the latter has given full, appropriate information.

### **Computer virus**

The NEW-TRONIC site cannot be guaranteed, despite the implementation of up-to-date computer protection systems, to be free from computer virus or execution errors generated by the same. Therefore, NEW-TRONIC will not be responsible for any damage caused to the users, due to possible destructive occurrences of this kind.
